## RESOLUTION

Supporting the designation of May 13, 2021, as “National Senior Fraud Awareness Day” to raise awareness about the increasing number of fraudulent scams targeted at seniors in the United States, to encourage the implementation of policies to prevent those scams from happening, and to improve protections from those scams for seniors.

Whereas millions of individuals age 65 or older (referred to in this preamble as “seniors”) in the United States are targeted by scams each year, including Social Security impersonation scams and Internal Revenue Service impersonation scams, sweepstakes scams, romance scams, computer tech support scams, grandparent scams, debt

collection scams, home improvement scams, fraudulent investment schemes, pet scams, and identity theft;

Whereas other types of fraud perpetrated against seniors include Medicare impersonation fraud, health care fraud, health insurance fraud, counterfeit prescription drug fraud, funeral and cemetery fraud, “anti-aging” product fraud, telemarketing fraud, and internet fraud;

Whereas scammers are, as of the date of adoption of this resolution, exploiting the ongoing Coronavirus Disease 2019 (COVID–19) pandemic to prey on seniors through a variety of scams, including Economic Impact Payment scams, vaccine scams, test kit scams, contact tracing scams, work-from-home scams, and COVID–19 vaccine survey scams;

Whereas the Government Accountability Office has estimated that seniors lose a staggering \$2,900,000,000 each year to an ever-growing array of financial exploitation schemes and scams;

Whereas, since 2013, the Fraud Hotline of the Special Committee on Aging of the Senate has received more than 10,000 complaints reporting possible scams from individuals in all 50 States, the District of Columbia, and the Commonwealth of Puerto Rico;

Whereas the ease with which criminals contact seniors through the internet and telephone increases as more creative schemes emerge;

Whereas, according to the Consumer Sentinel Network Data Book 2020 released by the Federal Trade Commission, people age 60 or older reported losing \$592,000,000 to fraud in 2020, with a median loss for victims age 80 or

older of \$1,300, nearly 4 times the median amount lost by those victims between the ages of 50 and 59;

Whereas senior fraud is underreported by victims due to shame, stigma, and lack of information about where to report fraud; and

Whereas May 13, 2021, is an appropriate day to establish as “National Senior Fraud Awareness Day”: Now, therefore, be it

7               the United States face in person, by mail, on the
